MORNING BUSINESS

AMERICAN RESCUE PLAN ACT OF 2021

Mr. SCHUMER. Mr. President, today's legislation takes a very impor-

tant step in providing financial assistance to multiemployer pension plans, particularly those plans that have already had to suspend benefits in order to save the plans from going insolvent. That has been a very painful step for some plans in New York because it resulted in retiree benefit cuts of as much as 60 percent.

This legislation will allow those plans to restore painful cuts and ensure others on the brink do not have to take similar steps.

I will be watching how the administration implements this new program very closely to ensure plans receiving financial assistance under the new program are not placed in a worse long-term funding position than they are today or are projected to be into the future. This new program is intended to be a long-term solution for these ailing plans, a solution that protects retiree benefits as well as the health of the plans themselves.

Mr. WYDEN. Madam President, Section 605 of the State and Local section of the American Rescue Plan requires further explanation on its intent. Below is the salient language of Section 605, Local Assistance and Tribal Consistency Fund:

“(b) AUTHORITY TO MAKE PAYMENTS.—

“(1) Payments to eligible revenue sharing counties.—For each of fiscal years 2022 and 2023, the Secretary shall reserve \$750,000,000 of the total amount appropriated under subsection (a) to allocate and pay to each eligible revenue sharing county in amounts that are determined by the Secretary taking into account economic conditions of each eligible revenue sharing county, using measurements of poverty rates, household income, land values, and unemployment rates as well as other economic indicators, over the 20-year period ending with September 30, 2021.

“(1) ELIGIBLE REVENUE SHARING COUNTY.—The term ‘eligible revenue sharing county’ means—

“(A) a county, parish, or borough—

“(i) that is independent of any other unit of local government; and

“(ii) that, as determined by the Secretary, is the principal provider of government services for the area within its jurisdiction; and

“(iii) for which, as determined by the Secretary, there is a negative revenue impact due to implementation of a Federal program or changes to such program; and

“(B) the District of Columbia, the Commonwealth of Puerto Rico, Guam, and the United States Virgin Islands. . . .”

Folks may wonder: “What are the revenue sharing counties?”; “Why Treasury?”; and “How is my new program different from existing county support programs?”

Let me explain my thinking in putting this language together. In every state, but especially the West, there are counties with tracts of federal lands that have unique impacts on the local economy. These counties are referred to in Section 605 as “revenue sharing counties”—counties that have a direct fiscal relationship with public lands and public resources. These counties help pay for roads, schools, and other services that directly benefit and, in many cases, support federal lands. They get payments for the tax-
